RRP
EX GST \$790

INTRODUCING THE LATEST, HARDEST HITTING, LOWEST VIBRATING 18V BRUSHLESS SDS-PLUS CORDLESS ROTARY HAMMER DRILL. BUILT FOR THE TOUGHEST JOB SITES

The essential tool for drilling anchors and fixing holes into concrete, brick and masonry from 4mm to 24mm. 5.0Ah 18 Volt Lithium Ion battery for maximum runtime. Drill over 90 holes on a single charge (10mm holes). Best in class vibration, 6.6m/s² lets you work safer and more comfortably for longer. Bright white LED improves visibility for your application.

XR BRUSHLESS MOTOR

- Powerful Brushless motor for heavy duty tasks
- Longer runtime and longer tool life

INTEGRATED DUST EXTRACTION UNIT
D25303DH-XJ

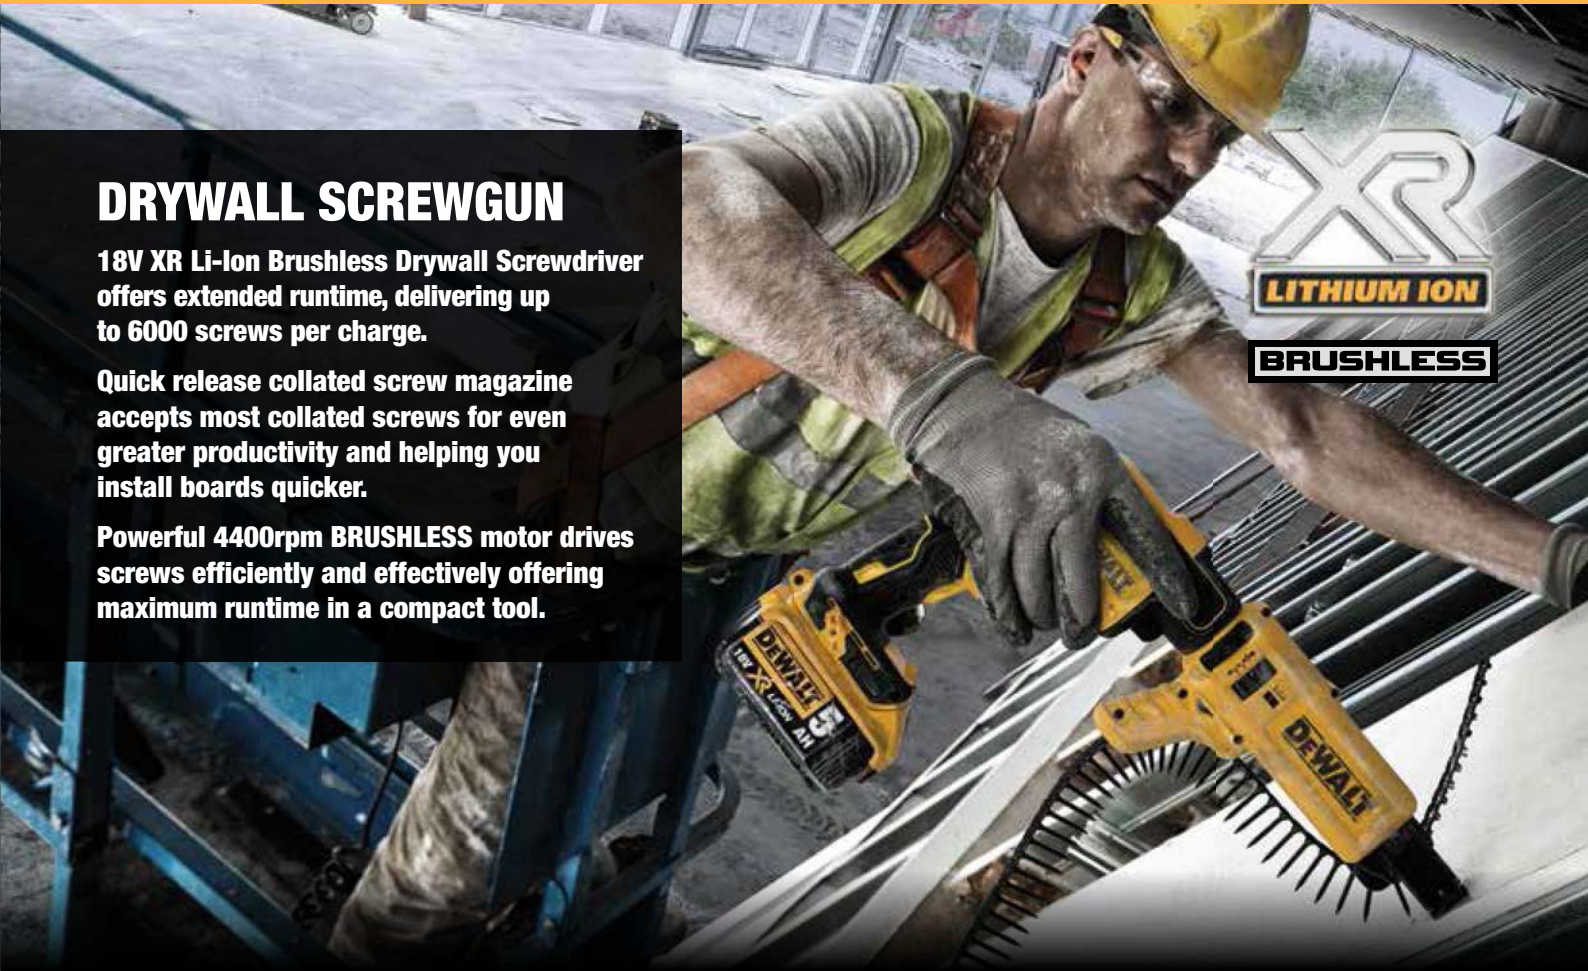

- Compact design and low weight, with no need for additional hoses gives near perfect balance.
- Essential for dust free drilling up to 16 mm in diameter.
- HEPA filter capable of achieving 99.5% efficiency with dust particles as small as 0.3 microns.

DRYWALL SCREWGUN

18V XR Li-Ion Brushless Drywall Screwdriver offers extended runtime, delivering up to 6000 screws per charge.

Quick release collated screw magazine accepts most collated screws for even greater productivity and helping you install boards quicker.

Powerful 4400rpm BRUSHLESS motor drives screws efficiently and effectively offering maximum runtime in a compact tool.

4000 RPM

PLUNGE SAWS

THE NEW DEWALT PLUNGE SAW RANGE. ALWAYS ON THE RIGHT TRACK.

A NEW concept in DeWALT sawing - The plunge saw offers new levels of speed of set up, accuracy of cut and quality of finish. Central to this cutting system is the DeWALT track, which combines with other tools in the DeWALT range, with a full range of attachments and with dust management system to provide a complete job site solution. The DeWALT DWS520KT-XE plunge saw comes as standard with a 1.5m rail, AirLock adaptor and a TSTAK™ kit box.

SYSTEM

DeWALT guide rails can also be used with most DeWALT routers and circular saws, providing a complete system for the end user.

DUST MANAGEMENT

Fully compatible with the DeWALT dust management system.

STANDARD EQUIPMENT

DWS520KT-XE

TSTAK™

FINISH

The DeWALT guide rail system offers anti-splinter lips on both sides of the guide rails.

CAPACITY

165mm blade gives 55mm depth of cut on the rail (59mm off the rail).

ACCURACY

48 tooth blade - very little breakout in laminates.

POWER

High torque motor delivers powerful cuts in heavy duty applications.

DUST MANAGEMENT

Enclosed guard gives 90% dust extraction capability.

ACCURACY

Superior tool design and excellent rail system with fixed rail adjusters to eliminate deflection during a cut.

BEVEL

47° bevel giving extra capacity in 2nd fix applications.

VERSATILITY

DE6292-XJ jointing bar allows two rails to be joined together where extra capacity is required such as when cutting sheet material.

EASE OF USE

Low friction strip allows the saw to guide easily along the rail.

SAFETY

Anti kick back function.

DURABILITY

Full wave tachometric variable speed for motor protection even when used with hard woods.

EASE OF USE

Parallel plunge allows the user to maintain a smooth and constant hand position while cutting.

VERSATILITY

Lockable spindle lock for quick and easy blade changing.

EASE OF USE

Spring loaded riving knife which automatically retracts during plunge cuts.

RAIL STABILITY

The underside of the rail features foam cushioning strips which keep the rail secure on the workpiece during cuts.

EX GST \$262.73

18V XR 125MM GRINDER DCG412N-XE

Powerful 405W fan cooled motor
7000 RPM for fast cutting and grinding
Steel cut spiral gears for highest durability
Low profile gear case for greater access
Two position side handle
Quick change wheel release for productivity.
M14 Spindle
125mm Max Disc Diameter
Intelligent trigger protects battery & tool
Batteries & charger sold separately

RRP \$199
EX GST \$180.91

18V XR CIRCULAR SAW DCS391N-XE

Powerful 460W motor for fast cutting even in the toughest of applications
3700 RPM for fast high torque cutting
Extremely durable tool design, cast aluminum base
Keyless bevel angle and depth of cut
Spindle lock for quick and easy blade change
Lock off switch & electronic motor brake
165mm Blade, Hex key, dust port
Intelligent trigger protects battery & tool
Batteries & charger sold separately

RRP \$229
EX GST \$208.18

18V XR IMPACT WRENCH DCF880N-XE

Powerful 203 Nm Max Torque
1/2" (12.7mm) square socket drive
All metal gearing for durability
Aluminium front housing disperses heat and increases motor life
3 LED 'Halo' ring provides maximum illumination
Intelligent trigger protects battery and tool
Batteries & charger sold separately

RRP \$199
EX GST \$180.91

18V XR IMPACT DRIVER DCF885N-XE

Powerful 155 Nm Max Torque
6.35mm 'drop in' keyless hex driver
All metal gearing for durability
Aluminium front housing disperses heat and increases motor life
3 LED 'Halo' ring provides maximum illumination
Intelligent trigger protects battery and tool
Batteries & charger sold separately

RRP \$139
EX GST \$126.36

18V XR BAND SAW DCS371N-XE

Ideally suited for cutting metal, including threaded rod, unistrut and steel pipework
63mm cut capacity cuts up to DN 50 or 2" SCH 40 pipe
Smooth cuts leaves surfaces burr-free
Creates little or no sparks when cutting metal
Well balanced and easy to handle
14/18 TPI variable pitch bi-metal blade
Hang hook
Battery and charger sold separately

RRP \$329
EX GST \$299.09

RRP \$209
EX GST \$190

*Batteries & charger sold separately

18V XR RECIPROCATING SAW DCS380N-XE

Powerful 560W motor for fast cuts
2950 Strokes per minute, 28.6mm stroke length
Variable speed trigger & lock-off switch lever
Pivoting adjustable shoe
4 Position blade clamp
Intelligent trigger protects battery & tool

RRP \$319
EX GST \$290

*Batteries & charger sold separately

18V XR HIGH TORQUE WRENCH DCF889N-XE

418Nm of torque and 2300 impacts per min
Aluminium front housing disperses heat and increases motor life
1/2" (12.7mm) square socket drive
Bright white LED light
Intelligent trigger protects battery and tool

RRP \$289
EX GST \$262.73

*Batteries & charger sold separately

18V XR METAL CIRC SAW DCS373N-XE

Powerful 460W motor, 3700rpm for fast cutting
Extremely durable tool design with steel shoe
Spindle lock for easy blade change
Transparent front guard and LED light
Burr-free cuts at 43mm cutting depth
Intelligent trigger protects battery and tool

NEW

FRAMING NAILER

2-SPEED WITH 5.0AH TECHNOLOGY

WHY 2 SPEEDS?

SMALLER NAILS REQUIRE LESS FORCE TO DRIVE THEM HOME.

USING A LOWER SPEED SETTING PROVIDES:

- MORE RUNTIME
- FASTER APPLICATION SPEED
- LONGER TOOL LIFE

DCN692P2-XE

Battery Capacity	5.0Ah
Nail diameter	2.8-3.3mm
Magazine angle	30-34°
Magazine loading	Rear-load
Nail length	50-90mm
Magazine capacity	Up to 55 nails

\$999
RRP
EX GST \$908.18

COMPACT SIZE
Fits easily between
400mm centre studs

Profiled nose-piece
provides stable
platform

Unique Bump Mode
function allows user to
fire 2 nails per second

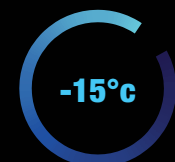

Nail jams are simple
to clear

Fault indicator lights communicate
instantly why your nailer has
failed to fire – either a
low battery or a nail jam

NO GAS

5
AH

NO GAS! Completely battery powered operation allows
for low maintenance, and more consistent operation
especially in low temperatures

- Less noise
- Less recoil/vibration
- No storage of flammable gases
- No breathing in toxic chemicals

NEW
